ORDER

21 MC 103 (AKH)

ALVIN K. HELLERSTEIN, U.S.D.J.:

This master docket was created for those plaintiffs whose allegations straddled the allegations in master dockets 21 MC 100 and 21 MC 102, because they performed work at the World Trade Center site and at other sites. The cases in master docket 21 MC 100, which covers those who performed work at the World Trade Center, have all settled or been dismissed. Accordingly, the cases currently on this master docket should either be dismissed or transferred into master docket 21 MC 102, which covers the claims of those who performed work at other sites.

A list of the "103" cases is attached. Counsel for these plaintiffs are ordered to submit to the Court, by noon Thursday October 17, 2013, a letter addressing whether their case should be dismissed or transferred to the "102" docket. Failure to respond timely will be cause for dismissal of their case.

SO ORDERED.

Dated: September 27, 2013
